WARNING

Under Colorado law, a skier assumes the risk of any injury to person or property resulting from any of the inherent dangers and risks of skiing and may not recover from any ski area operator for any injury resulting from any of the inherent dangers and risks of skiing including: changing weather conditions, existing and changing snow conditions, bare spots, rocks, stumps, trees, collisions with other skiers, variations in terrain, and the failure of skiers to ski within their own abilities. Colorado law includes cliffs, jumps, extreme and freestyle terrain in the inherent dangers and risks of skiing.

Colorado Law prohibits riding the lifts or skiing while under the influence of alcohol or drugs. Colorado Law requires that you give your name and current address to a ski area employee before you leave the vicinity if you are involved in a collision resulting in an injury. Witnesses are encouraged to contact a ski area employee. Do not enter closed lands adjoining a ski area. Winter Park has zero tolerance on closed trail violations. Violator's pass will be revoked for the season. Do not disembark from a chairlift except at a designated area.

YOUR RESPONSIBILITY CODE

Always stay in control. Be able to stop or avoid other people or objects. People ahead of you have the right of way. It is your responsibility to avoid them. You must not stop where you obstruct a trail or are not visible from above. Whenever starting downhill or merging into a trail, look uphill and yield to others. Always use devices to help prevent runaway equipment.

Observe all posted signs and warnings. Keep off closed trails and out of closed areas. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely. This is a partial list. It is designed for your own protection and endorsed by the National Ski Areas Association, the National Ski Patrol, the Professional Ski Instructors of America, and the American Association of Snowboard Instructors.

Please be safety conscious and ski friendly! Snowcats, snowmobiles, snowmaking and other equipment may be encountered at any time, stay clear. Activities other than downhill skiing or snowboarding may be prohibited or restricted within the ski area. It is your responsibility to contact Winter Park senior management for details. NO SLEDDING ALLOWED. Skiing or riding with a child in a front or backpack is strongly discouraged. Inverted aerials not recommended.

MOUNTAIN TERRITORIES

With over 80 years of history, Winter Park Resort is Colorado's longest continually operated ski resort, featuring Seven Territories across 3,000 acres of award-winning terrain. From groomers to black diamonds and everything in between, there's something for everyone at Winter Park Resort.

Groomers and good times, beginner to black diamond, WP territory has something for everyone

Home of big bumps, abundant trees and, occasionally, some very sore quads

Off-the-beaten path with some of the best powder stashes on the mountain

7 terrain parks equal endless creativity with 80+ features and an 18 foot halfpipe

Experience both the beauty and the thrill of being out-of-bounds, without being out-of-bounds

12,000 feet up, majestic 360-degree views, and an amazing journey down

Home of steep, cliffs, and stomach drops all while offering un-groomed runs, backcountry trails

Winter Park Resort is located within the Arapaho-Roosevelt National Forest and operates in partnership with the USDA Forest Service. Learn about all the recreation available in the Arapaho-Roosevelt National Forest by visiting the Sulphur Ranger District office in Granby, CO, calling 970.887.4100, visiting www.fs.fed.us/2/azn/recreation or scanning the QR code.
