

2021-22 WPCC Competitive Team Jacket and Apparel Info and FAQs

REVISED 1/29/2021

About the team jacket program

The goal of the team jacket program is for our competitive team athletes to be visible as a cohesive team at competitions, positively representing Winter Park Resort and the Competition Center.

We expect that all Competition Center athletes act as an excellent ambassador in your interactions on and off the slopes with coaches, teammates, employees, and Resort guests. Wearing a team jacket is a privilege, and means you are held to a higher standard of behavior not only by the Competition Center but by all who you encounter at Winter Park Resort or elsewhere. If you are unable to act with integrity, respect, and kindness on and off the hill, you may be asked to return the jacket.

Competitive Team Jackets (see page 2)

In 2020-21, we implemented a jacket loan/exchange program to establish a more sustainable jacket program. Jackets are assigned to athletes by number and may be checked out for up to two seasons at a time. We recommend selecting a size that will work for two seasons.

If you wish to keep the jacket for more than two seasons, it is available for purchase. If the jacket is not returned, you will have to purchase a replacement jacket.

Those who do not pre-order may be able to check out a jacket pending inventory when notified by email that surplus inventory is available. Please note that surplus inventory is limited because our jackets are custom, and the order is based on the sizes pre-ordered during the prior season.

Competitive Development Team Jackets (see page 3)

Those in Competitive Development Team or Development / Advanced Non-competitive Teams who wish to purchase a jacket must pre-order the Origin Jr. or Origin Lite jacket.

Those who pre-ordered other apparel items such as the puffy or base layer will be notified by when those items are available for pick-up.

General WPCC Apparel (see detail sheets on pages 4-6)

Anyone affiliated with the Competition Center may purchase the puffy jacket, adult or youth base layer, long jacket, or pant options.

When do items come in and when can we pick up? If eligible for a refund on our pre-order, when will that be processed?

Items usually arrive in November. You will receive an email when you are eligible to pick up your item(s). If you are in one of the mid-level, upper-level, or full-time programs listed on page 2, you will be eligible for a refund of your pre-order. Those who checked out a jacket for 2020-21 must return the used jacket clean and in excellent condition in order to receive a refund. Refunds will be processed at time of check-out.

My athlete is not on a competitive team or competitive development team and really wants a jacket. What are our options?

If you did not pre-order, we recommend searching our classifieds on Facebook for items posted by other Competition Center families.
