

COVID-19 Program Tuition Credit Policy:

Should Winter Park Resort / Trestle Bike Park close due to COVID-19 for at least one third of the Winter Park Competition Center summer season, Winter Park Competition Center program participants may receive credit that can be applied toward the 2021-22 winter or 2021 summer season programs. Please note that the Winter Park Competition Center does not guarantee coaching for a minimum number of days each season, and may schedule alternative training opportunities if Winter Park Resort has a closure due to COVID-19.

Any tuition credits will be adjusted pending alternative training programs, and may vary by program. Credit amount will be based off actual tuition amount paid for the 2021 season. Due to uncertainty about whether a closure may be temporary or season-ending, any credits will be calculated and applied after the final scheduled day of the program.

If 2021 programs are canceled in their entirety prior to the first day of programs, participants may receive up to 75% program tuition credit. If a closure occurs after programs start, the following credit policy will go into effect.

All Mountain Bike Team:

1st third: June 25 - July 15, 2021 – up to 50% credit.
2nd third: July 16 – August 5, 2021 – up to 25% credit.
Final third: August 6 – August 28, 2021 – no credit.
