

COVID-19 Program Tuition / Work Deposit Credit Policy:

Should Winter Park Resort close due to COVID-19 for at least one quarter of the Winter Park Competition Center season (designated as December 1, 2020 – March 31, 2021), Winter Park Competition Center program participants may receive credit that can be applied toward the 2021-22 winter or 2021 summer season programs. Season dates are based on average traditional Competition Center dates, and may be subject to change. A revised copy of the COVID Credit Policy will be distributed if dates are adjusted for any reason.

Please note that the Winter Park Competition Center does not guarantee coaching for a minimum number of days each season, and may schedule alternative training opportunities if Winter Park Resort has a closure due to COVID-19. Any tuition credits will be adjusted pending alternative training programs, and may vary by program. Credit amount will be based off actual tuition amount paid for the 2020-21 season.
