

Grant Application Requirements

Please read the requirements carefully to ensure that your application is in compliance and complete. Be specific and concise in your answers.

Please submit the application according to the directions below:

<u>Format</u>

Use 12-point type size or larger with at least ½ inch margins. Please follow the outline provided. Use the Application Summary page as your cover page. Do not include a cover letter.

<u>Deadline</u>

October 1: Winter Programs and Travel* May 15: Summer Camp Fees

*Winter programs/competition travel expense scholarships are awarded together. If you are applying for competition travel expenses as well as winter programs, be sure to include both amounts on your application. One award will be made for program/competition travel needs. The Competition Center will apply funds toward current balance due or most immediate upcoming expense (not applied toward account credit unless all current fees have been paid in full).

Application must be submitted by the deadlines above. If submitted past the deadline your application will not be considered. Applications can be mailed to:

WPSEF PO Box 192 Winter Park, CO 80482

Applications can also be dropped off at the Competition Center Office in the Balcony House.

Do NOT email or fax your application because tax documents are included.

Funding decisions will be made within 15 days of the deadline and applicants will be informed upon committee decisions. Funding is weighted more towards financial need and is based on the tax return of the athlete's parents and extenuating circumstances listed on the application. Estimated competition travel costs per program are figured into the formula.

The WPSEF also appreciates your support through volunteering for our fundraising events.

Questions about scholarships? Call Jerady Zunno at 970-531-8996 or email: <u>wpsef@yahoo.com</u>
